Operation Medicine Drop Box

ANNOUNCEMENT:

Please know that our Police Department lobby is accessible for drop-off unneeded prescription drugs 24 hours a day.

At the Public Safety Building entrance on Tenney Avenue, you will find an intercom with a light brown door bell button. Push the button and the intercom will be answered by the Police Dispatcher. Ask to enter in order to drop-off and they will buzz you in. The mailbox is located straight ahead to the right. It is that simple.
